SAUNDERSFOOT HARBOUR

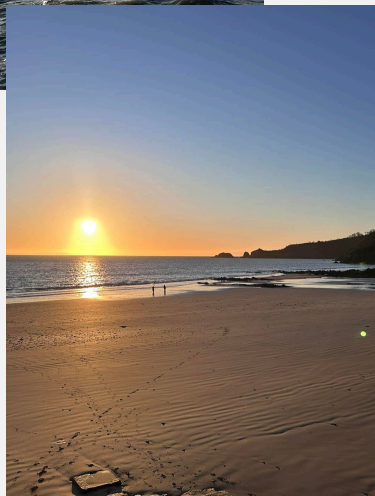

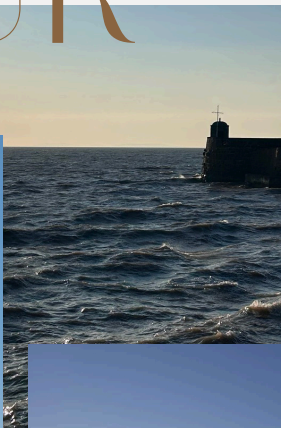

ABOUT US

Celebrate your special day with the stunning backdrop of Saundersfoot Harbour, one of Pembrokeshire's most picturesque coastal gems. With sweeping sea views, golden sands, and the tranquil charm of a working harbour, this unique setting offers a truly unforgettable location for your wedding.

If you are planning an intimate ceremony, Saundersfoot Harbour combines natural beauty with a relaxed, romantic atmosphere to make your wedding as magical as the love you share.

THE HARBOUR

50 GUESTS MAX

Imagine your wedding day unfolding beneath an open sky, the salty sea breeze drifting through the air as guests gather overlooking Saundersfoot Harbour. Exchanging vows with the gentle lull of waves, the harbour stretching out before you—dappled sunlight glinting off masts, and fishing boats gently bobbing in the sheltered bay. There is a choice to be married in different locations on the harbour, including next to the lighthouse or on the back beach slipway, each offering its own unique charm and stunning coastal backdrop.

HARBOUR VIEW

25 GUESTS MAX

This elegant, light-filled room offers stunning panoramic views of Saundersfoot Harbour, with large windows that frame the sea, sky, and the harbour itself.

Perfect for intimate ceremonies or receptions, the space opens onto a terrace for seaside drinks and sunset photos. As evening falls, fairy lights and candlelight create a warm, magical atmosphere—making it an unforgettable setting for your special day.

BAY VIEW

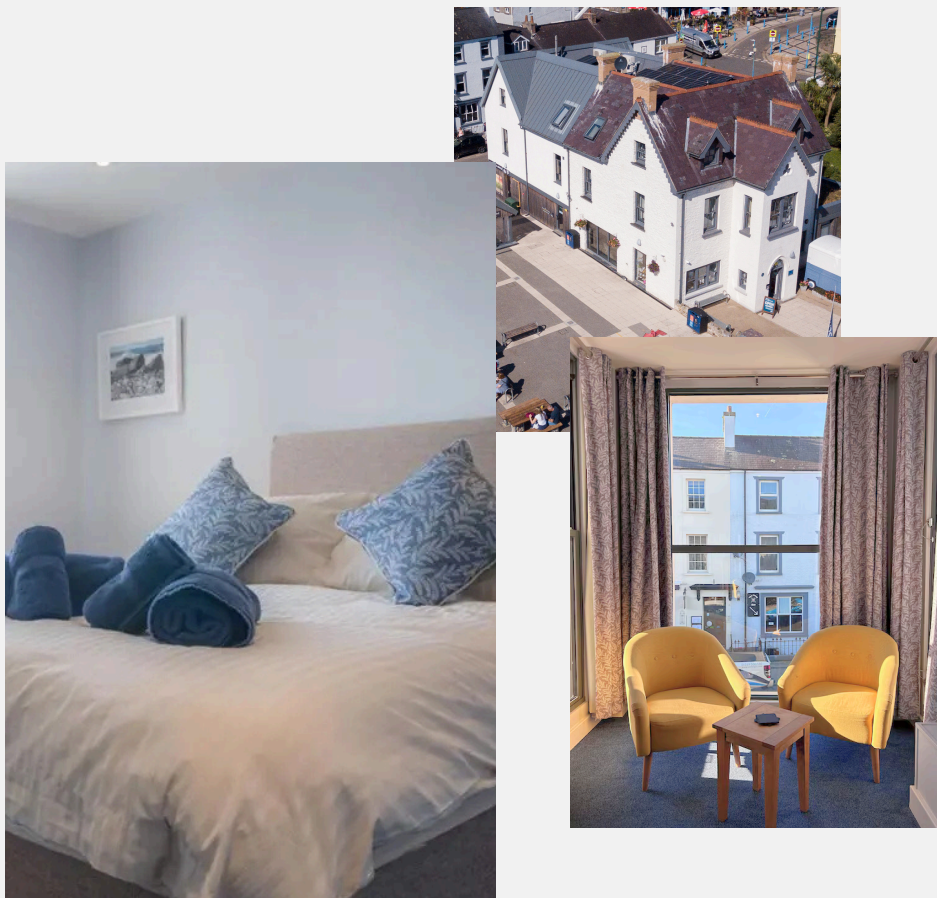

40 GUESTS MAX

The Bay View Room offers a stunning, light-filled space for your wedding ceremony, with views over Saundersfoot Harbour. Larger than our Harbour View Room, it provides a serene and spacious setting for you to exchange your vows surrounded by the natural beauty of the coast.

Elegant yet relaxed with large windows that flood the space with daylight. With the sea as your backdrop and the harbour below, the Bay View Room creates a romantic and unforgettable atmosphere for your special moment.

ACCOMMODATION

Make the most of your wedding by staying right on the harbour. Saundersfoot Harbour offers modern accommodation for both the couple and guests, combining comfort with stunning coastal views.

Stay at the Marine Centre, overlooking beautiful Glen Beach, or in the heart of the village at Ocean Square, just moments from the harbour. Both options offer stylish, convenient stays so you can relax and enjoy every part of your special day.
